

## Parkville Athletics

### “Athletic Expectations”

*What does it mean to be an athlete?*

Being an athlete in any school can be summed up in one short motto.

*Do the right thing when no one is looking.*

The expectation of an athlete is:

- 1) Go to practice everyday (Practice is usually 5 days per week)
- 2) Go home after practice and DO YOUR HOMEWORK. Homework and assignments need to be completed daily.
- 3) Know what your grades are at all times. This will help you KEEP your grades above the satisfactory line.
- 4) Respect all....parents, family members, coaches, teachers and student body.
- 5) IF problems come up, talk to an adult. We have all been through it. We do have sound advice for you.
